Dear Families,

I am excited to share with you the **Book of the Month, 5 Little Monkey's Jumping on the Bed by Eileen Christelow.**

This month we will explore verbs through play, discuss using all senses to learn, and continue on our journey to help your child's communication and play skills flourish.

I am thrilled to share with you my **You Tube Channel: Averhart Collins Speech Therapy Services.** It features four read-a-long stories, 5 Little Monkey's, Goodnight Moon, The Very Hungry Caterpillar, and Brown Bear, Brown Bear, What Do You See?

Please check out my website. [www.acspeechtherapyservices.com](http://www.acspeechtherapyservices.com). You will find information about my services in addition to resources and information for you as caregivers of children with delayed speech and language skills.

Included in this month's package are:

1. 5 Little Monkey's book
2. July Talking Tips – review of How to help your child learn with routines.
3. Turtle figure – symbolizes taking your time with your child & speaking slowly. (I will also share a wonderful story about a trickster turtle told to me.)
4. Five Little Monkeys Cut and Play sheets
5. Coloring page.

I hope you and your child enjoy this month's selection.

Sincerely,

Wanda Averhart Collins MA-CCC
